Segment Size	1-3/16" x 3/8" (3 x 0.95cm)
Thickness	1/4" (0.64cm)
Application	Exterior/Interior, Vertical Surfaces Only

Marble is a natural stone, subject to variation in color. During the manufacturing of mosaics, the tiles are hand sorted into matching colors and individually glued onto mesh backing. The sheets of tile can be trimmed to any shape and are flexible to allow contouring when necessary. It is not unusual to find occasional imperfections, veins, and lines of separation within the tiles. The variation is considered to be a desired feature in the product. Please contact us to request a sample from our current assortment. Custom sizes and finishes are available by Special Order.
