Cube Size	3.25" x 3.5"
Thickness	1.25" - 1.5" (3.2 - 3.8cm)
Application	Commercial/Residential, Exterior/Interior Floors

Each porphyry paver is hand sorted and individually glued onto mesh backing. The sheets of tile can be trimmed to any shape and are flexible to allow contouring when necessary. As porphyry is a natural stone, it is not unusual to find occasional imperfections, veins and lines of separation within each tile. This variation is considered to be a desired feature in the product. Contact SOLI to request a sample from our current assortment.
